

INTERNSHIP AT **Net Expat**

NET EXPAT helps more than 200 **International Corporations** and their **Expat families** achieve successful expatriation through a series of **Career & Life transition programs** in more than 52 countries. NET EXPAT is an ISO 9001 certified company. We have offices throughout Europe, Asia and USA. Our web site will tell you more about us <http://www.netexpat.com> !

We are looking for an intern for our offices in Brussels. You are **people-orientated**, currently **studying in a related field** (cultural studies, customer service, HR, PA, law, psychology etc.) and interested by the challenges of **international mobility** (multicultural aspects, employment, immigration ...)? You have a great sense of **communication**, and you speak **fluent English**, which is the official working language of NET EXPAT? Then we are looking forward to receiving your application!

We have the following projects you could be involved in:

- Improvement/creation of **materials for intercultural training**
- Increase **job search tools** world wide for expat spouses
- Collect and communicate internally **work permit information** globally
- Own ideas are always welcome

In exchange of your **enthusiastic participation**, we will offer you a **very nice working atmosphere** in a small and dynamic international team, and a **unique opening on other cultures**. We'll give you the opportunity to discover **state of the art Human Resource** concepts whilst giving you the opportunity to continue and complement your studies!

Are you interested by this internship?

Then send your application, specifying the project you are interested in, to
Dr. **Anna Riepe** (+32-2/358.62.28 / ariepe@netexpat.com) !
